## Nutanip Products

- ◉ Nutranip Products was started with the vision of providing high quality, affordable and effective healthcare products.
- ◉ In today's fast changing world overall health is fast deteriorating with non-communicable diseases and nutritional imbalances increasing at an alarming rate.
- ◉ What is needed is an expert care at an affordable rate.
- ◉ Herbs have power to heal us and get us back our healing power. Ayurveda is a brilliant example of harnessing of this herbal power.
- ◉ We are of the view of harnessing all the world herbal potential that is locked in knowledge across world communities and bring it to the people after scientific scrutiny.
- ◉ To achieve this we have built a team of experts from modern science, nutrition and traditional practitioners that help us to evolve our products in light of new discoveries and insights.
- ◉ We ensure highest product quality through ISO/HACCP certification as well as WHO-GMP and FSSAI regulations.
